A diagram of a rectangular frame structure. It consists of 12 vertical bars and 3 horizontal bars. The top and bottom horizontal bars are continuous across the entire width. The middle horizontal bar is divided into three equal segments by two vertical bars. The remaining vertical bars are positioned at the ends of each of the three horizontal segments.

A diagram of a rectangular frame structure. It consists of two horizontal bars at the top and bottom, and ten vertical bars connecting them. The vertical bars are evenly spaced. The top horizontal bar is a single continuous line. The bottom horizontal bar is composed of three segments, with two small gaps between them, suggesting it might be made of three separate pieces or have a specific joint configuration.
